Primary School at Flinders

2025

**In January, I am starting
the 2025 school year
at Flinders.**

**When I walk into school, I
will meet new friends and
teachers.**

**Here is Ms Mowat our
Head of Junior Primary**

At school, I spend a lot of time with my class teacher in my classroom.

This is where I will start my day after my parents drop me off.

I will bring a school bag each day. This will stay on a bag rack outside of the classroom.

I will have my diary bag, homework pouch, hat, lunchbox and drink bottle in my bag.

**My homework pouch,
diary bag and hat come
into the classroom. My
hat stays in my tidy tray
until I go outside
to play.**

Can you see the Tidy
Trays with student
names on them?

I will show my teachers that I am ready for learning by looking at them, listening and keeping my body still. I will follow their instructions.

**When I'm thirsty, I can
get a drink of water from
my water bottle or from
the bubbler.**

I can go to the toilet at school. If I am in class, I must ask my teacher.

At recess and lunchtime, I can just go to the toilet if I need to.

There are toilets near your classroom and around the playground.

Before school, during morning tea and at lunchtime I can play in the following places depending on what year level I am in.
