2025

Moving up to Year 4 is an exciting time.

Here's what you need to know about what will be different and what stays the same.

Mrs Ingrid Clarke is the Head of Senior Primary (Years 4-6). You'll see her around the school and at events, so be sure to say hello!

Ms Kersti Mowat is the Head of Junior Primary (Prep-Year 3).

We do things a little differently in Year 4...

HPE Uniform Changes: This year, you'll need to change in and out of your HPE uniform before and after PE lessons. Don't forget your gear!

SCISSA on Thursday Afternoons:

Every Thursday afternoon, we'll have SCISSA. Make sure you're ready for this fun and active part of your week.

Four Classes:

There are now four classes in Year 4. Get ready to meet new teachers and classmates!

New Building:

Year 4 has its own space, and this is where you'll spend most of your time. You'll have new classrooms and learning spaces to explore.

Before-School Waiting Area:

Before school, you'll wait outside the Year 4 classrooms instead of your old area. Make sure you're in the right spot.

After-School Routine:

Your after-school routine stays the same, so there won't be any changes to how you finish your day.

Play Areas:

Now that you're in Year 4, you can play in the Red Shed (also known as the Primary Pavilion) at morning tea, along with your other favourite places. Have fun exploring the new play area!

Camp:

This year's camp is extra special—
it's overnight! It's one night only.
Get ready for a longer adventure
with your classmates.

Brass Instrument Lessons:
In Year 4, you'll be able to audition for learning a brass instrument, just like you learned strings in Year 2. It's going to be a new and exciting musical journey.
