

# Expressions of Interest

## College Governance Bodies

**MATTHEW  
FLINDERS**  
Anglican College

The Matthew Flinders Anglican College Board of Directors balances risk, governance and due diligence with contemporary thinking.

College Directors and Committee members play an important role as custodians of culture – exemplifying values of compassion, courage, integrity and respect. Governed by constitutions, the Board Directors and Committee Members are comprised of a variety of skills and serve for an appointed time.

The College is currently seeking expressions of interest for the following roles:

- Matthew Flinders Anglican College Limited, Board of Directors;
- Matthew Flinders Foundation Limited, Board of Directors;
- Audit and Governance, Building and Grounds, and Strategy and Risk Committees, Committee Members.

Expressions of interests are sought from applicants who strive for excellence and possess a commercial outlook.

Experience in one of the following areas is highly regarded:

Skill Area	Description
Capital Works	Experience in planning, and managing school infrastructure projects, including construction, maintenance, and compliance with regulations.
Education	Knowledge of curriculum, pedagogy, student learning, assessment, and contemporary educational trends, including experience in school leadership or policy.
Digital Technology	Expertise in IT infrastructure, cybersecurity, digital learning tools, and emerging technologies relevant to education and administration.
Finance	Understanding of budgeting, financial governance, investment strategies, and financial risk management within an educational or nonprofit context.
Health & Wellbeing	Experience in student and staff wellbeing, mental health initiatives, pastoral care, and policies related to safety and inclusion.
People & Culture	Skills in HR management, leadership development, organisational culture, workforce planning, and employee relations.
Philanthropy	Knowledge of fundraising, donor engagement, grant applications, and building relationships with key stakeholders for financial support.
Risk & Compliance	Expertise in legal compliance, governance, risk management frameworks, school policies, and regulatory obligations.

*Director and Committee positions are voluntary.*
